

2023 SBW Sponsorship Proposal

2023 Sustainable Building Week (SBW) starts October 9th, and for the 6th year, will bring the best and brightest building professional organizations together to educate, connect, and foster collaboration.

SBW will increase the profile of issues related to our built environment through virtual/in-person educational events, building tours, and evening celebrations. The use of virtual platforms will provide wider access to professionals outside of Portland while expanding sponsors' reach to regions outside of Oregon.

Portland's best sustainability organizations and academic institutions come together annually to provide a truly compelling program that attracts thousands in the Portland area. SBW's sponsors are the leaders in Portland's sustainability community. We seek sponsorship to promote the event deeper into the AEC community and support events.

Participating organizations include:

- Oregon Green Schools
- US Green Building Council (USGBC) Oregon
- Solar Oregon
- Tall Wood Design Institute
- American Institute of Architects (AIA) Oregon Committee on the Environment (COTE)
- Portland Material Transparency Collaborative
- Build Local Alliance
- ZERO Coalition
- Electrify Now
- Association of Energy Engineers
- And more!

Your organization has been essential in building a more sustainable Oregon, and we would like you to consider a sponsorship with Sustainable Building Week to continue to be recognized as a leader and to give back to the community.

We have two tiers of sponsorship that will ensure this week is successful.

Harvester - \$1000

- Logo on SBW's website (www.sustainablebuildingweek.org)
- Social media announcement recognition
- Inclusion in our press release and media
- Recognition at the beginning of each session
- The opportunity to host an event during Sustainable Building Week (we have a limited number of these opportunities)
- The opportunity to be highlighted during Sustainable Building Monthly

Sower - \$450

- Logo on SBW's website (www.sustainablebuildingweek.org)
- Social media announcement recognition
- Inclusion in our press release

For more information about partnering with Sustainable Building Week, please contact Anne Gire at info@sustainablebuildingweek.com or 503-754-2231.

Sustainable Building Week is a 501(c) 3 Non-profit organization registered with the State of Oregon.
